General League Info

<i>Number of Teams</i>	12	
<i>League Dues Per Season</i>	\$150	Year 1: \$150 due before season start After Year 1: \$75 due before rookie draft; \$75 due before season start
<i>League Dues - Membership Fee & Reimbursement</i>	\$50	Every team carries a \$50 Membership Fee that stays attached to the franchise as long as the league is active. - Initial Requirement: Every new manager pays a one-time \$50 deposit upon joining. - Departing Managers: Reimbursement is <i>conditional</i> and based on value of draft picks in possession at time of departure ("good standing"): 3+ 1st Round Picks: \$30 reimbursement (2 or fewer = \$0) 3+ 2nd Round Picks: \$15 reimbursement (2 or fewer = \$0) 3+ 3rd Round Picks: \$5 reimbursement (2 or fewer = \$0) → Maximum Reimbursement = \$50 (original payment) - Incoming Managers: New managers must maintain the \$50 deposit. Any non-reimbursed funds from the outgoing manager are credited directly toward the new manager's fee, reducing their cost for taking over a team left in poor standing. <i>In summary:</i> If a new manager takes over a team left in as poor standing as possible, their Membership Fee is free (to them).
<i>Payouts Per Season</i>	\$1,800 Pool (= 12 x \$150)	Champion (\$1,150) / Runner Up (\$350) / 3rd place (\$150) / Regular Season Most Total Points (\$150)
<i>League Type</i>	Dynasty	Year 1 roster drafted + all transactions will carry over to all future years.
<i>Standings</i>	Weekly Wins/Losses Tiebreaker	1 Win/Loss from head-to-head matchup - Matchup tiebreaker is "best ball" points Represents the points the team would have scored if perfect lineup was set (see "Rookie Draft - Picks 1 - 6" in Draft Information below) - Backup tiebreaker: coin flip
<i>Playoffs</i>	Week 15 - 17	Playoffs: 6 teams - 1st and 2nd Place receive first round byes - Teams reseeded after each round - Tiebreakers: 1st Pf, 2nd H2H, 3rd Max Pf, 4th points against Toilet Bowl / Consolidation Bracket: - Winner receives 3.13 supplemental rookie draft pick - Pick is applied to the upcoming rookie draft
<i>Veto</i>	Commissioner Only	- Commissioner veto only for clear and obvious collusion - Otherwise: trades process within 24 hours - People win trades and people lose trades - get over it.
<i>Rule Adjustments</i>	Offseason Only	Rules will not be adjusted during the season. During the offseason, the commissioner(s) will field ideas on ways to improve the league. All changes will be agreed upon with the league prior to implementation.
